(Hey there, my name is Timmy Bottom Smith, I could use a little help.) (**Steam ad ver**)

Hello, I'm Timmy Bottom Smith. It's nice to meet the one and only mage. I'm so glad you came. Listen if you want your powers back you need to go to that forest and get it "She's been waiting for you. Isabella." "She took everything from you... even your powers and there's only one way back good luck.

“But listen... you can get them back. Just not in here.”

“Oh no... she’s coming—”

**“You're in her Forest Domain...an area where you can regain
(some of) your powers.”**

**“Collect those. They hold pieces of your speed and
lightning.”**

**“Okay... I’ve restored your speed boost. But use it wisely.
You get tired after a while.”**
